We are pleased to invite you and your constituents to the OVC RD Colloquium and Fair 2013 to be held on 29 July 2013 (Monday), 8AM-5:15PM, at the National Institute of Physics (NIP), National Science Complex, UP Diliman. This is the fourth event organized by the OVC RD under the theme *Paliwanagan sa UP Diliman*, and the second such event for this year.

The first *Paliwanagan* event for this year, which was held in January, was a Colloquium that showcased the institutional research and creative work initiatives of 15 centers/institutes in the campus. The institutional thrust of the January 2013 Colloquium received very positive feedback from the participants. As such, for the 29 July *Paliwanagan*, the Colloquium will once again feature institutional research and creative work initiatives. This time, the academic units will take the spotlight and their deans/directors are the Colloquium presenters. As you will note in the attached Program, fourteen (14) deans/directors will present some of their recent institutional projects. The presentations are divided into four themed sessions, with each session composed of paper presentations from different academic clusters.

Aside from the Colloquium, the July *Paliwanagan* will also have a Fair, which will be a re-staging of UP Diliman’s exhibition for the National Science and Technology Week (NSTW) Fairs and Exhibit that will be held on 23-27 July at SMX Mall of Asia. The exhibition will feature two sets of technologies: a) UP Diliman IPs that have been patented, registered and/or commercialized and b) recent technologies developed in the campus that are founded on the convergence of art and science.

Convergence is, in fact, the theme that we are highlighting in the July Colloquium. Through the Colloquium paper presentations and the technologies in the Fair, we endeavor to create a better appreciation of the interconnectedness and interdependence among the different disciplines. Through this, we hope to achieve the ultimate goal of *paliwanagan* — to transcend dialogue and exchange of information, and pave the way for collaboration and cooperation. We hope that you could join us in this endeavor, on 29 July and beyond.
As in the past Paliwanagan events, we request attendees to pre-register by email (upd.ovcrd.rduo@gmail.com) by 12 July 2013. Each attendee is requested to provide the following information:

- Name
- Sector (e.g. faculty, REPS, graduate student, undergraduate student, staff)
- College/Unit and Department
- For graduate and undergraduate students: a) degree program and b) faculty adviser

Our staff from the Research Dissemination and Utilization Office (RDUO) will be following up our invitation with you. You may also contact them by phone (927-2568, 436-8720, 981-8500 VOIP 4048 - please look for Bang, Nanie or Dercy) or through e-mail (upd.ovcrd.rduo@gmail.com).

Please visit our Office's website (http://www.ovcrd.upd.edu.ph/) for the event updates.

We look forward to your participation in the Colloquium and Fair. Thank you very much.
Online pre-registration for this event is open. You may log on to http://bit.ly/18AdqCe
Successful registration will receive a confirmation email from OVCRD.
For updates and details about the Colloquium and Fair, you may visit the OVCRD website <http://www.ovcrd.upd.edu.ph>
call 927-2568/436-8720/981-8500 local 4048
or email upd.ovcrd.rduo@gmail.com

This serves as an invitation
8:00 – 8:30 AM  Registration
8:30 – 8:35 AM  National Anthem
     Opening Remarks
     Prof. Benito M. Pacheco, PhD
     Vice-Chancellor for Research and Development, UP Diliman
8:35 – 8:45 AM  Message
